

## ACCESSORIES

**Caden Radio can offer after market accessories as well as genuine manufactures products. Whether you need a replacement battery or antenna. Or you are looking to purchase audio accessories for your existing fleet of radios.**

### Audio Accessories

Caden Radio can offer after market accessories as well as genuine manufactures products. Whether you have a hand portable or a mobile radio.

**Earphones** in many handsets for "receive only" applications.

**Remote Lapel Speaker Microphones** with earphone socket for discreet applications.

**Earphone/Microphones** with soft, comfortable, rubber earphones with either an in-line microphone/press to talk or with boom microphone.

**Covert Equipment** with clear acoustic tube/discreet ear-bud and press to talk/microphone which can be clipped to lapel or handset by running the cable down a sleeve – for discreet applications.

**Helmet Headsets** in two styles both with remote press to talk for mounting on handle-bars or steering wheel.

There are many accessories available for all of the hand portable radios available on the market. It would difficult to list them all. Please call us and we will endeavour to supply what you are looking for.
